Rules and regulations:

1. Attendance counts. Miss more than a couple of classes and you're in trouble.
2. Keeping up with the reading counts. There may be quizzes, along with some in class writing.
3. Participation counts. Talking is part of learning, as is participating in discussions. Not everybody is comfortable speaking in class, but you should get over it. Make an effort and it will be rewarded.
4. There will be a long take home final at the end of the semester.
5. Final grades will be based on your overall performance in the class and on the final project.
